### Tencent Music Entertainment Group Announces Third Quarter 2019 Unaudited Financial Results

SHENZHEN, China, Nov. 11, 2019 (PRNewswire/ -- Tencent Music Entertainment Group ("Tencent Music," "TME," or the "Company") (NYSE: TME), the leading online music entertainment platform in China, today announced its unaudited financial results for the third quarter endedSeptember 30, 2019.

#### **Financial and Operational Highlights**

In the three months ended September 30, 2019:

- Online music paying users reached 35.4 million, indicating an increase of 42.2% year-over-year. On a sequential basis, the number of online music paying users
  grew by 4.4 million, up from 2.6 million in the second quarter and 1.4 million in the first quarter of 2019, representing the largest net increase since 2016 and
  continuing the accelerating growth trend.
- Total revenues were RMB6.51 billion (US\$910 million), with an increase of 31.0% year-over-year.
- Operating profit was RMB1.19 billion (US\$166 million), with an increase of 11.9% year-over-year.
- Net profit attributable to equity holders of the Company was RMB1.03 billion (US\$144 million), with an increase of 6.4% year-over-year.
- Non-IFRS net profit attributable to equity holders of the Company (excluding amortization of intangible assets and other assets arising from business combinations, share-based compensation expenses, net gains or losses from investments, fair value change on puttable shares and income tax effects) increased by 8.0% year-over-year to RMB1.24 billion (US\$173 million).

"We continued our solid performance in the third quarter, driven by healthy growth from both online music and social entertainment services. We are particularly pleased to report accelerating growth of our online music paying users, representing a 42.2% year-over-year increase, as the net increase in the third quarter reached 4.4 million, achieving another quarterly high and outpacing the record growth in the second quarter. More importantly, the high quality of this growth was demonstrated by the ARPPU expansion of 3.5% quarter-over-quarter. This is a strong endorsement of our continuous efforts to unlock the intrinsic value of music through our integrated music platform, and to cultivate the willingness of users to pay for premium music services," said Mr. Cussion Pang, Chief Executive Officer of Tencent Music. "Thanks to our vast user base, deep understanding of music trends and user insights, we continued to develop our platform as the go-to destination for artists to build a fan-based economy. This strength, coupled with further investment in various forms of content, technology and services, will solidify our platform as an all-in-one music entertainment destination."

Mr. Tony Yip, Chief Strategy Officer of Tencent Music, said, "In the third quarter, we continued to invest in product innovations to further expand our user base and increase user engagement. We pioneered the introduction of short videos to music streaming pages for users to enjoy while listening to music. We also added new social and gamification features within our social entertainment applications to facilitate connections among users. In addition, we continued to enrich our content ecosystem to extend further beyond songs to include a wider range of offering, including long-form audio, PGC and UGC short videos, music-centric variety shows and original music for games, films and TV shows as well as from our musician program. From talent discovery, content distribution and promotion, to fan-based economy, our platform continues to benefit from the unique virtuous cycle of synergies between online music and social entertainment."

"We delivered strong financial performance in the third quarter with a top-line growth of 31.0%, along with solid operating margins and cash flow," commented Ms. Shirley Hu, Chief Financial Officer of Tencent Music. "Our online music subscription revenue increased significantly by 48.3% year-over-year, driven by strong growth of paying users and ARPPU expansion. New album releases boosted our revenue from digital albums to double in this quarter compared to the third quarter of last year. Our social entertainment and others revenues grew at a healthy rate of 32.9% as we continued to expand the paying user base of our social entertainment services. Our investments in premium content have not only resulted in sound financial return, but also solidified the leadership of our platform. Looking forward, we will strengthen the synergies between our online music and social entertainment businesses and continue to invest in long-term growth initiatives."

#### **Operational Highlights**

• TME's key operating metrics\* continue to grow across both online music and social entertainment services.

	3Q19	3Q18	YoY %
Mobile MAU - online music (million)	661	655	0.9%
Mobile MAU - social entertainment (million)	242	225	7.6%

Monthly ARPPU - social entertainment (RMB)	127.3	118.5	7.4%

- In the third quarter of 2019, the Company further strengthened its industry-leading content offering through the following initiatives: (i) adding strategic partnerships with more music labels in both mainstream and long tail genres and (ii) adding a wider range of content including music-centric variety shows, premium original music for games, films and TV shows, short-form videos, as well as long-form audio such as podcasts and audio books.
- The Company further penetrated a younger demographic of music users by: (i) expanding partnerships to reach hundreds of universities and higher education
  institutions in China, (ii) adapting to the preferences of younger music users by adding genres such as Urban, EDM, Animation, Comic and Gaming, as well as
  Chinese ancient style, which has enjoyed a rising trend of popularity among young people as it combines China's traditional culture with popular trends and provides
  the young demographic a strong sense of cultural identity, and (iii) launching special promotion events for the monthly subscription plan as well as live streaming
  new song releasing events for students.
- The Company further solidified its promotional capabilities and became the preferred destination for artists to build a long-term, stable and reciprocal fan-based economy. Through interactive activities, the Company helps established, up-and-coming, domestic and international artists to promote music to a broader audience in an engaging manner and through both online and offline channels: (i) TME not only aided Jay Chou's new single, *Won't Cry*, to achieve record sales result, but also facilitated the viral spread of social buzz, and inspired more than 12 million karaoke recordings by the Company's WeSing users within 10 days after its release, further extending the single's popularity; (ii) created an interactive environment for Taylor Swift and her fans in China to engage and to express views on its music platform. The title song of her new digital album *Lover* sold nearly 6 million copies within 24 hours on its platform after release, and(iii) for TFBOYS' 6-year anniversary concert, TME live streamed the event to promote greater participation online and offline amongst fans across the country and provided an opportunity for fans to show appreciation to their idols through virtual gifts.
- TME's musician program has become a leading online music platform for original music inChina, offering a full suite of services to nurture and promote up-andcoming independent artists. Its open platform not only significantly simplifies the process for artists to upload and manage their soundtracks, but also provides them with user data analysis and actionable intelligence on music trends. The total number of uploaded songs by up-and-coming musicians for the first nine months of this year more than doubled year-over-year. The average number of daily streams of original songs on TME's integrated music platform including QQ Music, Kugou Music and Kuwo Music was up almost 200% compared with the same period a year ago.
- The Company continued to offer comprehensive online and offline resources to uphold copyright protection and continues its journey of educating users by unlocking the intrinsic value of music to hundreds of millions of music lovers in China.
- The Company continued to improve the efficiency in content curation and accuracy of personalized recommendation by utilizing deep learning and data mining, which has resulted in a substantial increase in average daily streams and user engagements for both its online music and social entertainment services.
- The Company continued to make concerted efforts in product enhancement and innovation to cater to user demands, which has led to improved user engagement. These efforts include: (i) adding a wide range of professionally generated and user generated short videos to music streaming platform; (ii) bolstering social and

young attributes on the WeSing platform by adding new forms of content such as mini live-streaming reality shows and new features such as universal duet that encourage users to interact, and (iii) developing a song recognition tool which enables users to recognize within seconds songs embedded in short videos.

### THIRD Quarter 2019 Financial Results

#### Revenues

Total revenues for the third quarter of 2019 increased by RMB1.54 billion, or 31.0%, to RMB6.51 billion (US\$910 million) from RMB4.97 billion in the same period of 2018.

- Revenues from online music services for the third quarter of 2019 increased by 26.2% toRMB1.85 billion (US\$258 million) from RMB1.46 billion in the same period
  of 2018. The increase was driven by strong growth in revenues from music subscriptions and sales of digital music albums, offset by a decrease in sublicensing
  revenues from other music platforms. Revenues from music subscriptions were RMB942 million (US\$132 million), a 48.3% increase from RMB635 million in the third
  quarter of 2018, primarily due to improved paying user retention rate and increased number of paying users.
- Revenues from social entertainment services and others for the third quarter of 2019 increased by 32.9% toRMB4.66 billion (US\$652 million) from RMB3.51 billion
  in the same period of 2018, primarily driven by revenue growth in both online karaoke and music-centric live streaming services. The Company expanded the
  paying user base of its social entertainment services by 23.2% and increased ARPPU by 7.4% in the third quarter of 2019, compared with the same period of 2018.

#### Cost of Revenues

Cost of revenues for the third quarter of 2019 increased by 42.9% toRMB4.30 billion (US\$601 million) from RMB3.01 billion in the same period of 2018, primarily due to the increase in content expenses and revenue sharing fees. The increase in content expenses was mainly attributable to the increase in market prices and amount of licensed and original music content. The increase in revenue sharing fees reflected the growth in the Company's social entertainment services.

#### Gross Profit

Gross profit for the third quarter of 2019 increased by 12.6% toRMB2.21 billion (US\$309 million) from RMB1.96 billion in the same period of 2018. Gross margin was 34.0% for the third quarter of 2019.

#### **Operating Expenses for the Period**

Total operating expenses for the third quarter of 2019 increased by RMB260 million, or 26.6%, to RMB1.24 billion (US\$173 million) from RMB977 million in the same period of 2018. Operating expenses as a percentage of total revenues was 19.0% in the third quarter compared with 19.7% in the same period of 2018.

- Selling and marketing expenses for the third quarter of 2019 wereRMB517 million (US\$72 million), representing an increase of 19.1% year-over-year from RMB434 million in the same period of 2018. The increase was primarily due to increased spending on branding and paying user conversion.
- General and administrative expenses for the third quarter of 2019 wereRMB720 million (US\$101 million), representing an increase of 32.6% year-over-year from RMB543 million in the same period of 2018. The Company continued to increase its investment in research and development to expand its competitive advantages in product and technology innovations.

#### **Operating Profit for the Period**

Operating profit increased by 11.9% to RMB1.19 billion (US\$166 million) in the third quarter of 2019 from RMB1.06 billion in the same period of 2018.

#### Net Profit and Non-IFRS Net Profit for the Period

Net profit attributable to equity holders of the Company for the third quarter of 2019 wasRMB1.03 billion (US\$144 million), compared with RMB964 million in the same period of 2018. Non-IFRS net profit attributable to equity holders of the Company was RMB1.24 billion (US\$173 million) for the third quarter of 2019, compared with RMB1.15 billion in the same period of 2018. Please refer to the section titled "Non-IFRS Financial Measure" for details.

#### Earnings per ADS

Basic and diluted earnings per American Depositary Shares ("ADS") were RMB0.63 (US\$0.09) and RMB0.62 (US\$0.09), respectively, for the third quarter of 2019. Excluding amortization of intangible assets and other assets arising from business combinations, share-based compensation expenses, net losses from investments, fair value change on puttable shares and income tax effects, non-IFRS basic and diluted earnings per ADS were RMB0.76 (US\$0.11) and RMB0.74 (US\$0.10), respectively, for the third quarter of 2019. During the third quarter of 2019, the Company had weighted averages of 1.63 billion basic and 1.67 billion diluted ADSs outstanding, respectively. Each ADS represents two of the Company's Class A ordinary shares.

#### Cash Flow

Net cash provided by operating activities for the third quarter of 2019 wasRMB1.35 billion (US\$189 million), compared with RMB1.64 billion of cash provided by operating activities during the same period of 2018. Net cash used in investing activities for the third quarter of 2019 was RMB680 million (US\$95 million), primarily due to investments in term deposits and short-term investments during the quarter, compared with net cash provided by investing activities of RMB333 million during the same period of 2018.

#### Cash, Cash Equivalents and Term Deposits

As of September 30, 2019, the combined balance of the Company's cash, cash equivalents and term deposits amounted toRMB21.14 billion (US\$2.96 billion), compared with RMB19.90 billion as of June 30, 2019. The increase in cash, cash equivalents and term deposits was primarily due to cash flow generated from operations of RMB1.35 billion (US\$189 million). The Company's cash and cash equivalents balance was also affected by the change in the exchange rate of RMB to USD at different balance sheet dates. The exchange rate was 7.1477 to 1 on September 30, 2019, and 6.8650 to 1 on June 30, 2019.

### Exchange Rate

This announcement contains translations of certain RMB amounts into U.S. dollars ("USD") at specified rates solely for the convenience of the reader. Unless otherwise stated, all translations from RMB to USD were made at the rate of RMB7.1477 to US\$1.00, the noon buying rate in effect on September 30, 2019, in the H.10 statistical release of the Federal Reserve Board. The Company makes no representation that the RMB or USD amounts referred could be converted into USD or RMB, as the case may be, at any particular rate or at all. For analytical presentation, all percentages are calculated using the numbers presented in the financial statements contained in this earnings release.

### Non-IFRS Financial Measure

The Company uses non-IFRS net profit for the year/period, which is a non-IFRS financial measure, in evaluating its operating results and for financial and operational decision-making purposes. Tencent Music believes that non-IFRS net profit helps identify underlying trends in the Company's business that could otherwise be distorted by the effect of certain expenses that the Company includes in its profit for the year/period. Tencent Music believes that non-IFRS net provides useful information about its results of operations, enhances the overall understanding of its past performance and future prospects and allows for greater visibility with respect to key metrics used by its management in its financial and operational decision-making.

Non-IFRS net profit for the year/period should not be considered in isolation or construed as an alternative to operating profit, net profit for the year/period or any other measure of performance or as an indicator of its operating performance. Investors are encouraged to review non-IFRS net profit for the year/period and the reconciliation to its most directly comparable IFRS measure. Non-IFRS net profit for the year/period presented here may not be comparable to similarly titled measures presented by other companies. Other companies may calculate similarly titled measures differently, limiting their usefulness as comparative measures to the Company's data. Tencent Music encourages investors and others to review its financial information in its entirety and not rely on a single financial measure.

Non-IFRS net profit for the year/period represents profit for the year excluding share-based compensation expenses, net loss from investments, amortization of intangible and other assets resulting from the business combinations, fair value change on liabilities of puttable shares and income tax effects.

Please see the "Unaudited Non-IFRS Financial Measure" included in this press release for a full reconciliation of Non-IFRS net profit for the year/period to its net profit for the year/period.
